A cluster of approximately 10 pink sticky notes, some with handwritten text, arranged in a loose grid pattern on the left side of the page.

A central cluster of approximately 10 pink sticky notes, arranged in a grid-like pattern, representing the core intersection of the network.

A cluster of approximately 10 sticky notes, including several green ones and one blue one, located in the upper right quadrant.

A cluster of approximately 10 yellow sticky notes, arranged in a grid-like pattern in the middle right section.

A small cluster of two sticky notes, one yellow and one green, located in the lower right section.

A small cluster of three yellow sticky notes located at the bottom right of the page.

A cluster of approximately 5 green sticky notes located in the top right corner.

(退院支援)

A mind map for '退院支援' (Discharge Support) with a central cluster of 12 red dots. It branches into four main areas: '退院前' (Before Discharge), '退院時' (At Discharge), '退院後' (After Discharge), and '退院準備' (Discharge Preparation). Each area contains several sticky notes with handwritten notes.

(看取)

A mind map for '看取' (Observation) with a central cluster of 6 red dots. It branches into '看取前' (Before Observation) and '看取時' (At Observation). The '看取時' branch further divides into '看取前' (Before Observation) and '看取後' (After Observation), each with multiple sticky notes.

在宅支援

A mind map for '在宅支援' (Home Support) with a central cluster of 4 red dots. It branches into '在宅前' (Before Home Support) and '在宅時' (At Home Support). The '在宅時' branch further divides into '在宅前' (Before Home Support) and '在宅後' (After Home Support), each with multiple sticky notes.

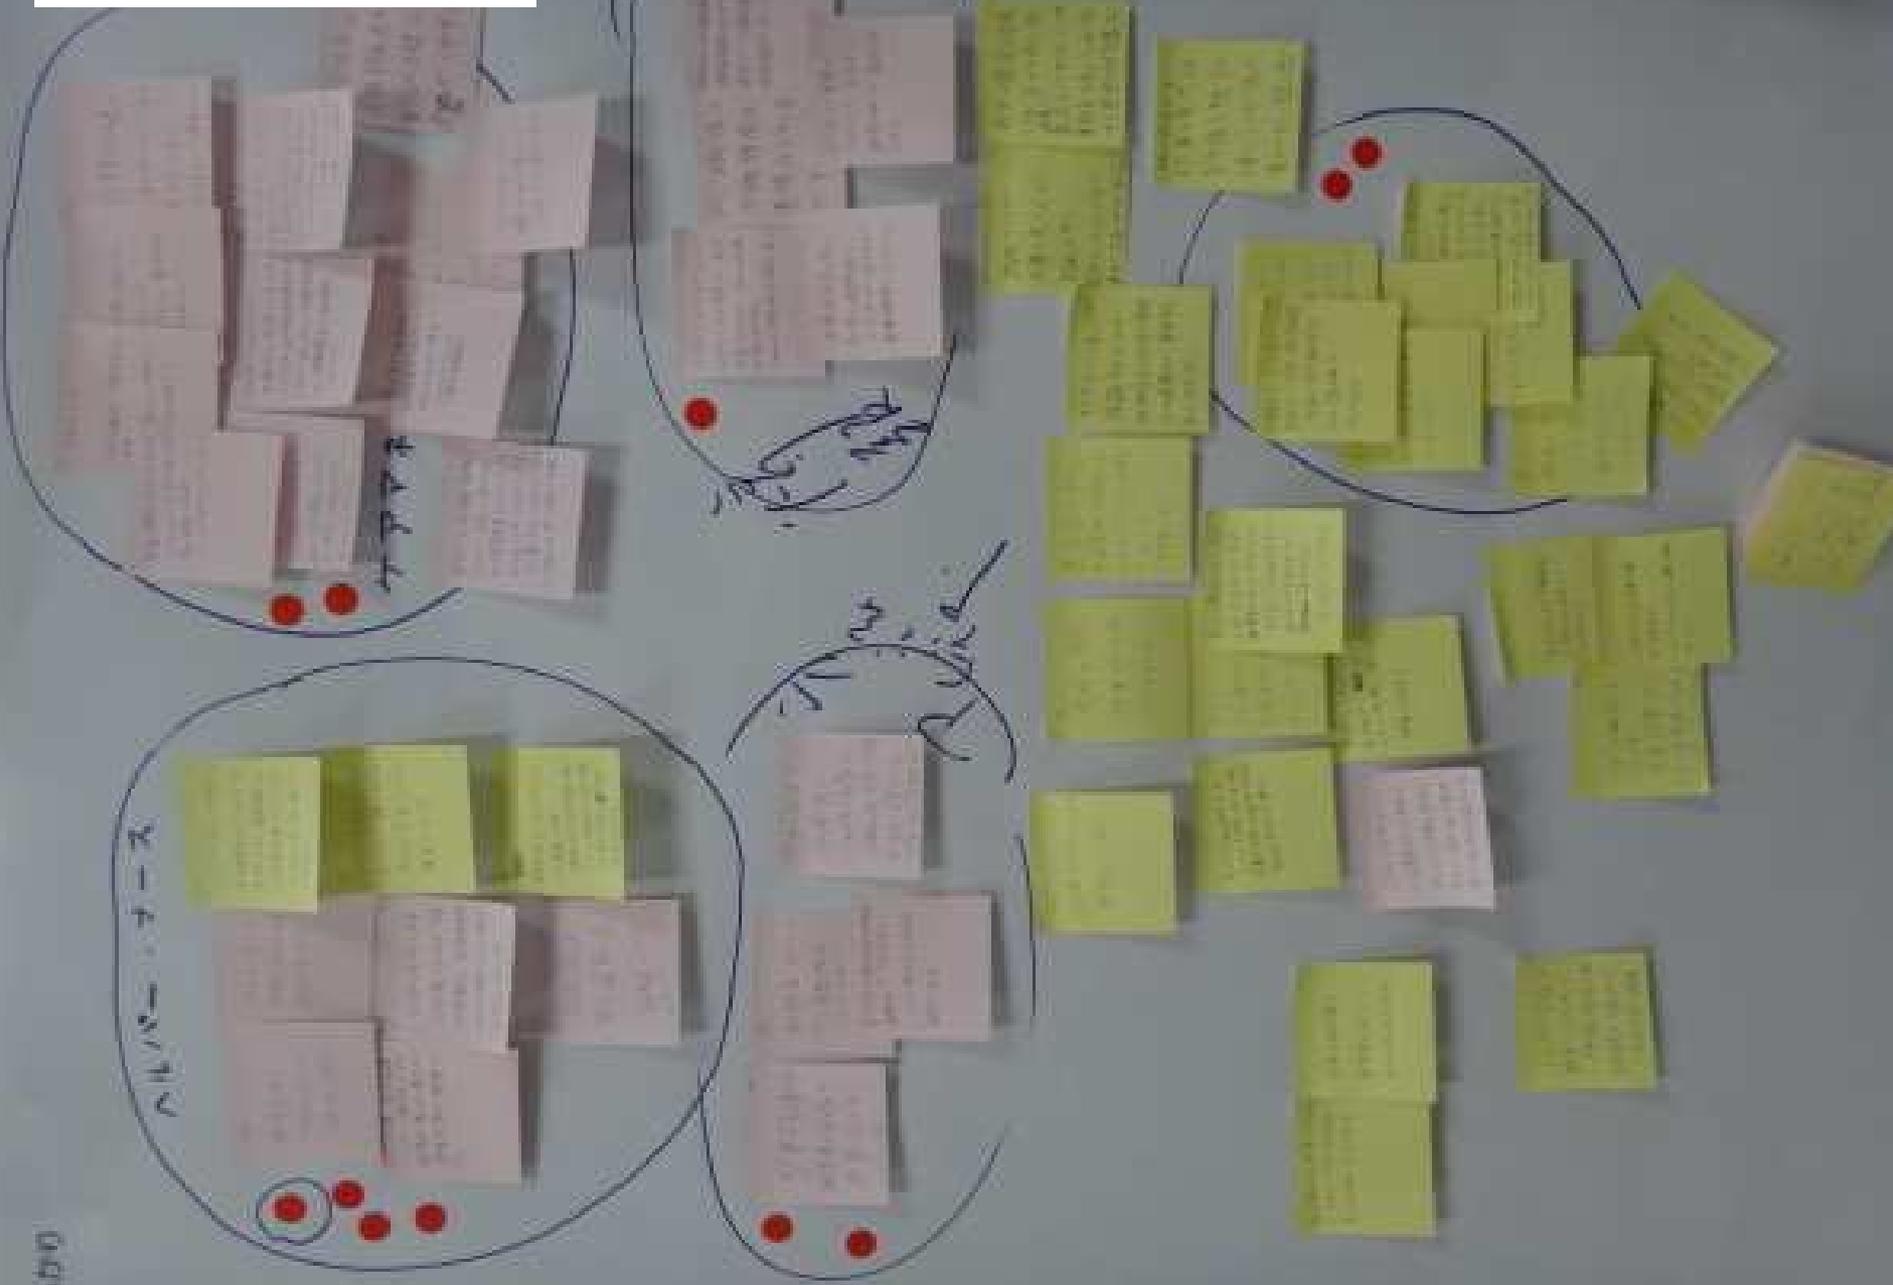

医療機関との連携

A mind map for '医療機関との連携' (Collaboration with Medical Institutions) with a central cluster of 12 red dots. It branches into '連携前' (Before Collaboration) and '連携時' (At Collaboration). The '連携時' branch further divides into '連携前' (Before Collaboration) and '連携後' (After Collaboration), each with multiple sticky notes.

TPPによる情報連携

A mind map for 'TPPによる情報連携' (Information Collaboration by TPP) with a central cluster of 12 red dots. It branches into '連携前' (Before Collaboration) and '連携時' (At Collaboration). The '連携時' branch further divides into '連携前' (Before Collaboration) and '連携後' (After Collaboration), each with multiple sticky notes.

# チームえづこ

A vertical column of approximately 10 yellow sticky notes, each containing handwritten Japanese text. The notes are arranged in a single column, with some overlapping. The text is mostly illegible.

A large, dense cluster of approximately 25 pink sticky notes on the right side of the whiteboard. The notes are arranged in a somewhat organized but overlapping manner. Some notes have handwritten Japanese text, while others appear to be blank or have very faint writing. There are also some blue scribbles or markings near the top of this cluster.
