

Announcement of the Creation Kyushu Global Startup Ecosystem Creation

【Objective】

For the unification of Kyushu and the consequential creation of a global startup from Kyushu, active on the world stage.

【Initiatives】

- 1 . We will promote the creation of a globally linked startup ecosystem.**
- 2 . We will promote open innovation and support the development of a Kyushu-made start up.**
- 3 . We will organically tie together the inner-Kyushu support community and fortify the startup support system.**
